OUR COVER

Our cover this month shows the open door of the historic Mansion House, built for Lieutenant Governor William Dummer about 1723 and now used as the Headmaster's home.

The Christmas wreath had not yet been hung when this photograph was taken, but Mr. and Mrs. Eames, the *Archon* staff, and Governor Dummer take this opportunity to wish you all —

A Very Merry Christmas

FOOTBALL AND SOCCER PLAYERS RECEIVE AWARDS AT CHRISTMAS DINNER

The annual Christmas Dinner was held on Tuesday evening, December 18. Following an excellent dinner, the evening program began with Mr. John W. Ragle, a former master at Governor Dummer, who is now teaching in Springfield, Vermont, serving as toastmaster. The guest speaker was Dr. Robert Russell Wicks, former Dean of the Chapel at Princeton University.

The remainder of the evening program was devoted to sports. The two varsity coaches commented on the football and soccer seasons and announced the award of letters to their respective teams. Mr. Arthur W. Sager, head football coach, spoke of the splendid morale of the team right down the line and congratulated the boys on their willingness to play unfamiliar positions for the benefit of the team.

Coach Howard J. Navins complimented the soccer team for their consistent improvement throughout the season and congratulated them on their very satisfactory record.

Following the speeches, varsity letters were awarded, next year's football captain announced, and Most Valuable Player Awards presented.

Michael E. Tyler of South Easton was named Most Valuable Player on the football team; and Russell T. Tornrose of Salisbury was elected captain of the 1957 team.

George W. Starbuck, III of New Bedford, captain of this year's soccer team, and William George of Haverhill, were named co-recipients of the Most Valuable Player Award.

At a special school meeting on Tuesday, November 20, the night before the Thanksgiving recess, junior varsity and pony letters were awarded. Entering into the holiday spirit, a faculty quartet consisting of Mr. Sager, Mr. Smith, Mr. Stone, and Mr. Witherspoon provided entertainment. A list of the awards made on that memorable occasion appears on page 13.

NORTH SHORE DINNER OPENS ALUMNI SEASON

On November 29 a well attended dinner for North Shore Alumni at the Boston Yacht Club of Marblehead sent alumni activities for 1956-57 off to a flying start. Thirty-seven graduates were on hand to visit with each other and eight faculty representatives. Mr. Eames, Mr. Sager, and Mr. Witherspoon reported on the current affairs at the Academy. Dave Faulkner '39 was in charge of arrangements for the meeting and presided at the dinner. Burton Machinist '36 was appointed to arrange for a similar meeting next year.

At the Columbia Hotel of Portland, Maine, a similar meeting was held on December 6 for the alumni of northern New England. After an excellent dinner put on by Host Bill Davis '31, Pete Farnum '41 announced a "regular evening meeting". Mr. Eames presided as he had at the 7:15 evening meetings when the re-unioning alumni were students. Mr. Ohrn and Mr. Mercer had important faculty announcements to make, and Mr. Witherspoon gave instructions on admissions office procedure. Twenty-seven alumni constituted the "student body".

Additional alumni meetings are scheduled in New York at the Williams Club on April 9 and in Boston at the Harvard Club on April 16.

ELECTION STIRS GREAT INTEREST ON CAMPUS

The national election stimulated an unusual amount of interest in national politics among the students at Governor Dummer this fall.

Helping to stimulate interest was the visit, on October 31, of Mr. Augustus G. Means, young Republican from Essex, Mass., who was actively campaigning for re-election to his place on the Governor's Council. Mr. Means spoke to the student body, tracing the history of presidential elections since the present two major parties emerged.

A few days later the students held an old-fashioned political rally complete with slogans and placards. Donald Kaufman, Robert Temple, and Billy George espoused the cause of Mr. Stevenson, while Peter Ober, Peter Stanley, and Fred Estey championed Mr. Eisenhower. The audience responded with mixed

cheers and heckling, and the mock election which followed accurately predicted the Republican landslide which occurred on November 6.

On election night, at the close of study hall, the students gathered in the Cobb Room, where a special television set had been installed, and followed the returns. Two portable blackboards had been set up on which the results by states were recorded and changing totals shown. By midnight most of the students were satisfied that the contest was over, but a few diehards stuck it out to hear Mr. Stevenson concede the Republican victory.

MORE BRIEFLY

On the afternoon of December 1, sixty-four Governor Dummer boys of the junior and senior classes travelled to Walnut Hill School for a dinner dance at the invitation of the Walnut Hill junior class. The combination of the dinner and the dance provided a very enjoyable evening for the boys.

Mr. Kerr of the faculty was the principal speaker at a banquet for the Berwick Academy football team on November 14 at Berwick, Maine.

WINSOR CHORAL GROUP IN
JOINT CONCERT WITH
GOVERNOR DUMMER CLUB

On December 15 the Glee Club of Governor Dummer entertained the Glee Club from the Winsor School of Boston. Seventy young ladies arrived on campus at four-thirty and were ushered to the Alumni Gymnasium for a rehearsal of the two clubs. Following the rehearsal, a delicious dinner was served to the girls and their escorts in the school dining hall.

The entire student body and many visitors were delightfully entertained at the concert held at eight o'clock. The two clubs combined to sing several numbers from Schubert's *The Mass in G*. After listening to several very enjoyable numbers done by Winsor, the Governor Dummer club sang selections from *The Student Prince*; the *Pilgrim's Chorus* from *Tannhauser*; *Matona, Lovely Maiden*; and *O Bone Jesu*.

Following the concert a dance was held for the two clubs in the Cobb Room.

Meetings are held every Sunday in the basement of Ingham at 2:00 p. m. Mr. John Fenn of the Science department is faculty advisor.

SPIRITED PRE-GAME RALLY PRECEDES GRIDIRON BATTLE

On the eve of the Belmont Hill School varsity soccer and football games, the enthusiastic Governor Dummer student body gathered in the Lang Gymnasium for an invigorating pep rally. Captains George Starbuck and Don Kaufman of soccer and football, respectively, offered encouragement to their

spirited teams. John Wichers, one of the star soccer men and our exchange student from England this year, also spoke to the student body, pointing out that he had never witnessed such spirit on any team that he had played for in England.

After the thundering ovation from the student body had died down, Mr. Houston, assistant soccer coach and ex-hotrodder of Whipple Field, discussed how the team had progressed during the season. The student body watched anxiously as Mr. Ohrn stepped upon the hustings. The question was, would this ex-volleyball champion volunteer to lead another volleyball team to victory during the approaching season. Hearts fell as he promulgated that he had left the beloved sport forever in order to give the newcomers a fair chance. Refreshments were served for all, and the boys turned in with heroic aspirations for the coming day.

RELIGIOUS DISCUSSION GROUP CONTINUES WITH MR. WILLIAMS

The Religious Discussion Group, begun several years ago by Mr. Cleveland, is being continued this year by Mr. Williams and a group of fourteen seniors.

The group meets after vespers on Sunday evenings in the old colonial kitchen of the Mansion House to discuss various religions and religious viewpoints. Mr. Williams acts as moderator but the discussion is carried on by the boys themselves.

It is hoped that several of the vesper speakers will join the discussion with this group.

FOOTBALL AND SOCCER TEAMS USHER AT HARVARD GAME

Sixty boys, primarily members of the football and soccer teams, were ushers at the Harvard-Brown football game in the Harvard stadium on Saturday, November 17. They were accompanied by Mr. Houston, Mr. Murphy, Mr. Navins, and Mr. Sager of the faculty.

The invitation to usher was extended through the kindness of Mr. Carroll F. Getchell, Business Manager of the Harvard Athletic Association, and father of Dana H. Getchell '49 and Ellsworth H. Getchell '54.

PARENTS' DAY ATTENDANCE AGAIN TOPS PREVIOUS RECORD

Governor Dummer parents turned out in record numbers for the annual Parents' Day celebration on October 27. Officials in charge were happy to find 369 parents and relatives on hand, — even more happy to find that out of a total enrollment of 215 boys, 158 had parents or relatives here that day.

The program began with a buffet luncheon in the school dining room at 12 o'clock. In the early afternoon the parents saw four athletic contests in which the Pony football team beat Emerson, the J.V. and varsity soccer teams beat and tied their opponents from Tabor, and the varsity football team lost to Groton.

Receptions in the Cobb and Jacob rooms followed the games, and the day's program was climaxed by a dinner in the Alumni Gymnasium, at which Mr. Eames, Mr. Murphy, and Mr. Witherspoon were the speakers.

EDITORIAL

A recent book by an eminent psychologist has challenged today's educational system on the grounds that it has stopped short of full psychological maturity. He maintains that it does not place enough emphasis on the critical analysis so essential to a mature mind.

As public institutions, schools reflect the contemporary public viewpoint. Members of school boards are not likely to be happy at the thought of transforming our schools into experimental stations where the young will learn to look with measuring eyes at the status quo. They have relatively fixed attitudes in economic, political, and social matters. There has been nothing in their own successful experience to make them see as inadequate that by which they themselves have succeeded.

Schools are designed to do two things, — to pass on culture and to help the young grow into adults. A school can accomplish both items and end by making the student into a complete reactionary and routinist. The question is what is to be the student's adult role, — one of passivity or one of action?

In our world of crises there is a need for

decisive men able to think and act with unprejudiced minds. It is up to today's student to realize this problem and to take proper steps to avoid a stagnant mind. Rather than merely storing up factual information, the wise pupil will properly relate his newly acquired knowledge to the complexities of life itself. In this way only will he find his niche in our world.

ON THE ATHLETIC FIELDS

SOCCER TEAM COMPILES

FOUR-TWO-FIVE RECORD

The Governor Dummer soccer team travelled to Concord, New Hampshire, on October 24 to play St. Paul's School. Dave Andersen bounced the ball into the cage for the Governors in the first few minutes. St. Paul's, however, came back with three goals which the Governors were unable to match. Bill George played remarkably well in the goal and was invaluable in holding down the final score.

A strong Tabor team visited South Byfield on Parents' Day, October 27. Hardy Bedford played Tabor's center forward man-to-man and kept the Tabor star from scoring. The game drew a large crowd who were thrilled by the year's most exciting game. After two overtimes the score remained deadlocked at 0-0.

On Saturday, November 3, when the Governors played St. Mark's at Southboro, the league championship was at stake. Despite an all-out effort, the team dropped a close and well-played game to the stronger St. Mark's team by a 2-0 margin.

Medford High came to South Byfield on November 7. Medford scored first and led until the Governor Dummer team caught fire in the last period. But again after two overtimes the game ended in a 0-0 tie. Albert Jackson punched in the Governors' only goal.

For the last game of the season on November 10 Belmont Hill School came to South Byfield. Early in the game Jeff Fitts scored a long shot from his left halfback position to put the Governors in front. John Wichers, left wing, played a good ball game, accurately centering the ball time and time again. In the third period Albert Jackson scored on a pass from Frank Dickerson, right halfback. In the final period the reserves controlled the ball and the Governors won 2-1.

The Governor Dummer soccer team won four, tied two, and lost five, — a .455 season. They scored twelve goals to their opponents' sixteen. In the All-Captains game at Tabor, George Starbuck, John Wichers, and Bill George helped the All-Captain team tie Tabor 3-3.

COWBOYS AND INDIANS

WHOO IT UP IN ANNUAL

VOLLEYBALL LEAGUE

At an evening meeting shortly before Thanksgiving vacation, the student body waited in anxious anticipation for Poobah. Due to circumstances beyond his control, he was not able to attend the meeting. However, Mr. Mercer was a representative of Poobah and officially opened the volleyball season. The teams this year are divided into the Cowboys and the Indians, with eight teams in each league. The final play-off between the champions of each league will be called The Last Roundup, and the winner in each league will get a steak dinner.

In the Cowboy League there are three main teams contending for the top spot. They are Mr. Sperry's Buffalo Bills, Mr. Houston's Andy Divines, and Mr. Miller's Tom Mixes. In the Indian League the two top teams are Mr. Smith's Tontos and Mr. Kerr's Algonquins. At this point the Andy Divines and the Tontos are leading in their respective leagues, but competition is so keen that the teams change positions almost daily.

GOVERNORS' WINNING STREAK

SNAPPED BY GROTON ELEVEN

After a fast start the Governors dropped their last three games to Groton, St. Mark's, and Belmont Hill, in that order.

Unbeaten Groton, led by New England preparatory school all-star Hugh Scott, defeated Governor Dummer 26-7 in the Byfield Bowl on October 27. This was probably the best-played game of the season for the Governors. Scott was held to one touchdown and two conversions, while in every previous game this season he had scored at least 12 points. Jim Sylvester scored the Governors' only touchdown on an end sweep in the fourth quarter. Mike Tyler also played an outstanding game at end. This loss snapped the Governors' winning streak at eight games.

The Governors' second loss was to another unbeaten team, St. Mark's, by a score of 7-6.

The game was played at St. Mark's on November 3. St. Mark's passing attack worked effectively and gave them their touchdown early in the game. The extra point which later proved decisive was made by kicking.

The Governors started long drives in both the first and second periods but were stopped both times inside the twenty-yard line. Late in the third period Eddie Johnsen passed 30 yards to Jim Sylvester, who outran the secondary for the Governors' only touchdown. Johnsen's kick was wide, leaving the final score 7-6.

The final game of the season was played on November 10 against an inspired Belmont Hill team in the Byfield Bowl. On paper the two teams appeared to be evenly matched; however, due to fumbles, injuries, and bad weather the Governors played their poorest game of the season and lost 35-0. Belmont Hill scored in every period and played a strong game defensively.

C SQUAD HAS SCORING

PUNCH, WEAK ON DEFENSE

On Wednesday, October 21, the Newburyport J.V.'s came to South Byfield to play the Governors' C Squad. The game was hard-fought by both teams all the way, and at the half, the score stood 14-13 in the Governors' favor. Then in the second half Mike Dunsford swept right end and ran for a 60-yard T.D., clinching the game for the G.D.A. squad. The final score stood 21-13.

On the following Wednesday, the 31st, the C squad met the Belmont Hill J.V.'s, once again on home ground. The Governors first scored on a long pass to Mel Blake, who took the pigskin all the way. The passer was Charlie Langmaid, who passed very well throughout the season. Governor Dummer got one more T.D. and then Belmont Hill took over, scoring two and winning the ball game by one point. The final score was 14-13.

On Wednesday, November 7, the C squad travelled to the huge Haverhill stadium to play a strong Haverhill J.V. team. In the first half both teams played slow football and nothing exciting happened. In the second half Haverhill pulled its score to 31 points. Then Fred Huntress snagged a long pass from Charlie Langmaid and went all the way, scoring G.D.A.'s first of the ball game.

Later in the game the exact same play,

another long Langmaid pass to Huntress, led to another Governor Dummer score. And so the final score stood Haverhill 31, Governor Dummer 14.

The G.D.A. C squad played its last game on Tuesday, November 13, against a strong Danvers J.V. team here on home ground. Although the C squad fought hard and had to fight not only the opposition but the terrific cold also, they lost the ballgame, scoring no points. Kim Kimball, Mike Dunsford, and Greg Brown played good football throughout the game. The final score was Danvers 24, G.D.A. 0.

J.V. SOCCER TEAM

HAS SUCCESSFUL SEASON

On October 24 the J.V. soccer team travelled to St. Paul's for a game in which goals by Scott Cappel and Pete Buckingham sparked G.D.A. to a 2-1 victory.

Parents' Day saw Tabor go down to defeat before the goals of Cappel and Bucky. Tabor scored one for another 2-1 win for the Governors.

On November 3 the Boutin Special rolled on to St. Mark's, when the Governors went down to defeat despite two more Cappel tallies.

The season concluded with a home game against Belmont Hill. Although cries of "Beat the Hillies" were numerous, goals were not; and a 1-1 tie was the best the team could produce.

The most notable achievement of the squad is the friendship and interest which permeated the entire squad. Every day's practice saw these attributes manifest themselves in even the poorest players on the squad.

PONY SOCCER TEAM SCORES

FIRST WIN IN FINAL GAME

On October 31 on home grounds the Pony soccer squad played its third game of the season, with Middlesex. The Middlesex squad was a much larger and more skilled club and they took home a 3-0 victory.

The Governors, however, now felt that they were ready for their next game with Brooks, whom they had previously tied 0-0. This game was played at Governor Dummer on

November 3 and brought hopes of a long-sought victory. Unfortunately, the breaks seemed to ride with Brooks, who quickly slipped in a goal and followed it up with two more later on, making the final score 3-0.

In the Ponies next-to-last game with Medford High School, Bob Dietz, team captain, won the toss for the first time. This encouraged the boys, and they went out and played the best game of the season. Medford proved to be a far superior team, however, and won 5-0.

This brought the team into the final game, against the Belmont Hill team, with an unimpressive record of one tie and four losses. Early in the game Courtney Bird drilled one into the cage. Belmont Hill countered with a goal in the second period. Bird then booted in his second goal of the day and enabled the Ponies to win their first game of the season. Their final record was one win, four losses, and one tie.

LIGHTNING TEAM PIERCES

HAVERHILL FRESHMAN DEFENSE

On November 7, having defeated the Portsmouth Junior High a week before at Portsmouth, the Governor Dummer Lightnings played host to an undefeated Haverhill freshman football team. A poor defensive showing by the Governors in the first half enabled Haverhill to get two touchdowns while holding the Governors scoreless.

The Lightnings settled down in the second half, however, and Haverhill had its goal line crossed for the first time this season. The Governors were inspired by this achievement and fought hard for another score; but Haverhill proved too strong for them and scored once more before the contest ended. Final score: Haverhill 20. Governor Dummer 7.

The last game of the season for the Lightnings was played against the Newburyport freshman team at Newburyport on November 14. It was perhaps the most exasperating

THE ARCHON OF GOVERNOR DUMMER ACADEMY

game of any Governor Dummer contest this season.

The Lightning defense was by far the best it was all season. After two quick first downs in the first minute of play, the Lightnings managed to keep Newburyport from making another in the entire game. But it was all in vain, for the scoreboard showed the final score to be a 0-0 deadlock.

PONY FOOTBALL SHOWS FORM IN FINAL GAME

The Pony football team had a rather unimpressive season this year, winning one and losing five. The last two games of the schedule, with Brooks and Emerson, were probably the best of the season. In the Brooks game the Ponies lost 33-0.

The Ponies' last contest was their best effort of the year. This game was played at Emerson School in Exeter, New Hampshire. There the Governors managed to score two touchdowns and one extra point. The line held very well in defense.

In the second quarter Bill Tuxbury scored on a reverse pass play, and the extra point was run successfully around end. Fred Lyman chalked up the second touchdown on an end sweep late in the third quarter. In the closing minutes of the game, one of the Governors' passes was intercepted by an Emerson player, who ran it back for the winning touchdown, leaving the final score 19-13 in favor of Emerson.
